

## PARENT CONNECTION GROUPS

Join other first-time Beaumont parents in sharing the joys and challenges of having a baby.

- You'll be placed in a group of families with similar aged babies.
- Groups meet virtually over several months.
- Each meeting will have a presentation related to parenting infants, a question-and-answer period, and plenty of time to socialize with the other parents.
- Groups are facilitated by a Beaumont staff member, paired with a trained parent volunteer.
- This group is for your entire family unit. Your partner and baby are welcome.
- Please feel free to care for your baby and yourself during this time.
- This is a chance to meet other new parents with the potential to create lasting support and friendships.

We invite you to connect with us to gain support, education and an opportunity to virtually meet with other parents going through the same experiences as you.
